

Where Comfort meets Protection

Holdwell Components is a part of Royal Group, leaders in the Railway, Construction & Sealing Rings Industry. With More than **25 Years of Expertise in the field**, HOLDWELL was incubated to protect people by providing safe and secure track fastening solutions to the railways.

HoldZee is the PPE division of Holdwell Components to safeguard and protect people from meeting accidents at workplace. High Visibility Clothing is a clothing that is highly luminescent and can be easily recognised from far away due to its distinctive and highly reflective nature, thus protecting you and your team from facing accidents.

At HoldZee, we strive to empower all employees to identify, control or eliminate risk. With everyone's continued commitment, ownership, and participation, our vision of a zero-incident workplace is possible. As they say, **SAFETY is a way of life, LIVE it!**
